

MSS Student Portal – Viewing Report Cards

At the end of each reporting term, report cards will be published to the student portal in PDF format. When this occurs, you will receive an email from production@pd.myschoolsask.com or noreply@follettlearning.com informing you that your report card is ready to view in the portal.

In Pages, you will find the report card in the Published Reports area.

The screenshot displays the MSS Student Portal interface for Lloydminster RCSSD 89 2023-2024. The top navigation bar includes 'Pages', 'My Info', 'Academics', 'Groups', 'Calendar', 'Locker', and 'Destiny'. The main content area is divided into several sections:

- Home / Accueil**: A banner with a welcome message and a photo of students.
- Announcements/Annonces**: A section titled 'Weekly Scheduled Maintenance Windows' with text in English and French.
- Recent Activity**: A list of recent activities with a search bar and filters for 'Attendance' and 'Grades'.
- Start/Commencer**: A section titled 'Navigation/La navigation' with instructions on how to use the portal.
- To Do**: A section with checkboxes for 'Overdue Online Assignments', 'Tomorrow', and 'Today, Week View'. It lists assignments for 'Today: Thursday, February 1 Course' and 'Tomorrow: Friday, February 2 Course'.
- Published Reports**: A table with columns for 'Filename', 'Date Uploaded', 'Creator', and 'Description'. A red box highlights the first row: 'Report Card - SK', '79 KB', '2/1/2024 3:34 PM', 'Anderson, Camela', and 'Report Card for [redacted]'.

Click on the Report Card – SK link under the Filename column. The document will download, and you can open it from there.

Should you require a copy of the report card for any reason (e.g.: post-secondary applications, scholarship applications, immigration purposes), save the PDF to your device for future accessibility. Published report cards are visible in the portal for a limited time and the end date will be referenced in the notification email you receive when the publish occurs.
