Received by the Board: August, 2020		Update: August, 2020

Background

The Division believes in the provision of guidance and counselling services to students to enable them to plan, select and pursue studies for their educational, personal, and vocational advancement.

Procedures

1. In kindergarten through Grade eight career education – life skills are to be integrated with the regular subjects of the curriculum as much as possible. Personal counselling services will also be available to all students. Principals are required to adopt and implement a career education – life skills program following provincial curriculum guidelines.
2. Secondary schools are required to implement career and personal counselling services for students providing them with specific information regarding career clinics, tests related to career choices and information pertaining to post-secondary institutions and well as scholarships and bursaries.
3. Personal counselling services shall be available to all students. Parents of students requiring intensive personal counselling shall be consulted regarding referrals to external human service agencies.
