Background:

The school division has a number of initiatives to support staff to be healthier and more active people. We believe in personal fitness demonstrated by offering a \$50.00 rebate for a membership in a local fitness center or as funds which can be used as registration for a sports team.

Procedures:

The school division will provide up to \$50.00 per employee (under contract) in a twelve-month period, to subsidize the cost of membership at a recognized fitness center.

1. Presents a copy of receipt from the fitness vendor,
2. Submits only one rebate form per twelve calendar months
3. Completes and submits Form 415.1
