

To: ALL LCSD REQUIRING IN TOWN BUSSING

How do I know if I am registered for bussing?

Please create your Parent Portal account

How to create an account

1. Use this link

<https://lcsd.mybusplanner.ca/Login?ReturnUrl=%2FSubscriptions%2FChildTransportInfo>

2. Create a new account for the 2023-2024 school year, add student(s) to your login as required.

Look at transportation information if your child is registered you will see bus number, stop location and time.

- ❖ Please note we are still adjusting routes, creating accounts gives me the ability to communicate when routes are most accurate.

PLEASE REGISTER BEFORE AUGUST 12, 2023

If registering for an alternate address, please specify if they need home and alternate bussing or just alternate.
