

MSS Parent Portal Account Login Issues

When you encounter difficulties with your MSS account, you can retrieve your Login ID and reset your password independently by selecting the “Trouble logging in?” link. The link provides two self-serve options: *Retrieve your Login ID* and *Reset your password*. Determine which option applies to you and follow the steps below.

Retrieve your Login ID

When you select “Retrieve your Login ID”, you will be prompted to provide your email address, then select “Recover Login ID”. The email address provided must match the one on your child’s student record in MSS. If the correct email address is provided, you will receive an email from ‘noreply@pd.myschoolsask.com’ containing your Login ID. Use the Login ID to access MSS.
