

To: ALL LCSD REQUIRING IN TOWN BUSSING

How do I know if I am registered for bussing?

Please create your Parent Portal account

How to create an account

1. Use this link

<https://lcsd.mybusplanner.ca/Login?ReturnUrl=%2FSubscriptions%2FChildTransportInfo>

2. Create a new account for the 2020-2021 school year, add student(s) to your login as required

Look at transportation information if your child is registered you will see bus number, stop location and time

*please note we are still adjusting routes, creating accounts gives me the ability to communicate when routes are most accurate.

If your child is not registered and requires bussing. Please do not register if bussing is not a requirement for your family as the current recommendations from the Saskatchewan Ministry require assigned seats.

PLEASE REGISTER BEFORE AUGUST 31, 2020

We can only accommodate bussing to one address at this time.
